Ms. Gayler: Know that you can achieve whatever you desire and be whoever you want if you'll just try.

Mr. Gray: Seniors of 1987 - I look at your graduation with somewhat the same feelings I have with past graduating classes - sadness that you are leaving; joy that you have accomplished the goal of graduating and are going out to face new challenges.

Ms. Nichols: We set our goal
In the depths of our souls
To achieve our highest dream

With God by our side
Keeping his strength inside
We did it as a team.
